Note: This route is intended for experienced, well conditioned cyclists. It avoids much of MD 77 and all of MD 66, which are high volume roads with little or no shoulders. Between Thurmont and Smithsburg, it is mountainous and remote, with long climbs and steep descents. Extreme caution should be used. Food and water are only available at Gettysburg, Emmitsburg, Thurmont, Smithsburg, Boonsboro and Harpers Ferry.

S=Straight, X=Cross, BR=Bear Right, BL=Bear Left, TRO=To Remain On, SS=Stop Sign
Users are advised that road names and other conditions may have changed. Use with caution.
