# SAME AMAZING STATE. A NEW WAY TO CELEBRATE IT.

The Maryland Office of Tourism has adopted a fresh marketing campaign entitled YOU'RE WELCOME. It extends a warm invitation to potential visitors while also ensuring the beauty, culture, history and flavors of our great state remain front and center in each communication.

"From the sandy beaches of the Eastern Shore to the mountains of Western Maryland and everywhere in between, Maryland is home to spectacular natural beauty. I am proud to support and participate in our new 'YOU'RE WELCOME' tourism campaign, which embodies our belief that we want everyone to experience and enjoy Maryland's many unparalleled destinations."

–Governor Wes Moore

This shift represents an exciting time for all marketers and partners who help promote the wide range of experiences in Maryland. While it introduces a new message, it's still firmly rooted in the undeniable truth of the brand position.

## **Brand Position**

To leisure travelers who appreciate and seek out unique experiences, Maryland is where you'll create happy memories that last a lifetime.

# WELCOME TO YOU'RE WELCOME.

## Campaign Position

There's only one state that can offer everything that's authentically great about America. A state that offers diversely beautiful nature, rich culture and history at every turn, an unmatched range of water experiences, and world-renowned seafood. This state is Maryland, and it's here to offer a warm welcome to anyone who'd like to give our all-in-one destination a visit.

## Campaign Manifesto

To the trail seekers, the ocean obsessed, the convention warriors, the family fun finders, the romantic escapers and everyone in between...welcome! And you're welcome. Because a Maryland vacation is where you have the experiences that leave you with a lifetime of memories.

## COOPERATIVE PROGRAM OVERVIEW

Collaboration between OTD and its tourism partners offers a unique opportunity for a cohesive promotional campaign. By being part of the YOU'RE WELCOME campaign, each co-op participant benefits from leveraging the brand, thus reaching and connecting with a larger number of potential visitors.

# COUNTY GRANT ELIGIBLE CO-OP ADVERTISING

We encourage counties to use the YOU'RE WELCOME creative template and language approach to market travel to their target audiences.

Using templates provided by OTD's ad agency, Marriner, each county will have the freedom to develop their own ads to specifically showcase their destination's attributes within the space provided. Adobe InDesign (CC) formatted templates will be provided to develop print ads and for static online banners. These templates were designed to specifications that should scale easily to a variety of media outlet dimensions.

The county will be responsible for providing its own imagery and deciding on the appropriate orientation and cropping of it within the picture box. Body copy will be written by the county and set within the ad file's copy block. Counties will also need to import additional visual elements, including their eligible county logo, into the layout file. The county may NOT alter the design or composition of the templates in any way.

Regarding copy, the primary use of "YOU'RE WELCOME" is as a confident response to the gratitude we know our visitors will feel as they navigate our great state. Typically, the "YOU'RE WELCOME" headline will be teed up by a lead-in question that features a compelling destination attribute (example: "For 3,100 miles of shoreline? YOU'RE WELCOME").

One overall goal of the YOU'RE WELCOME framework is to help our messaging continue to strengthen the brand's "humbly bold" tone that previous campaigns have helped establish.

**Humbly Bold Tone**

Just because we are humble doesn't mean we can't have confidence. We bring forward swagger and boldness without crossing the line into arrogance. Our state has so much to be proud of, and we're here to share it with conviction and kindness.

This tone shines through naturally in the dynamic between the lead-in question and "YOU'RE WELCOME" response in our communications, especially when the lead-in question is an impressive fact or stat about the destination.

In spaces where there's not enough room to include the question lead-in, it is acceptable to utilize "YOU'RE WELCOME" as a standalone headline. When paired with enticing imagery, this tells our target that no matter who they are or what their background is, we want them to be part of Maryland's story.

Prior to submitting materials to the publication, the completed ad will need to be submitted to Brian Lawrence, [brian.lawrence@maryland.gov](mailto:brian.lawrence@maryland.gov). The approval process takes seven business days. If the ads are not pre-approved, these media purchases are not eligible for 100% reimbursement.

A high-angle, top-down photograph of a group of people gathered around a large wooden table, enjoying a seafood feast. The table is covered with a large pile of cooked crabs, several ears of corn on the cob, and various condiments. A person in a white shirt with a palm tree pattern is seen from the side, reaching for a crab. Another person in a light blue shirt is also visible. In the foreground, a person in a pink shirt is focused on eating. The table is cluttered with crab shells, corn cobs, and condiment bottles.
